Town of Chichester

Suncook River Bridge
and Ordway's Mill on Depot Road
(circa early 1900's)

Annual Report

for the year ending Dec.31, 1986

**VIOLA (GRAMMIE) CLARK
1986 CITIZEN OF THE YEAR**

Kathy Meehan, Cub Master and Grammie Clark

Every year the Chichester Cub Scouts choose a citizen of the year. The choice is based on the person's involvement with the youth of Chichester.

This year's recipient has for many years offered encouragement and support to all the children of Chichester. She has never sent a child from her door empty handed.

It is a privilege to be able to present our citizen of the year; Mrs. Viola (Grammie) Clark.

Judy Kenneally T/C

TOWN WARRANT

The Polls will be open from 10:00 A.M. until 6:00 P.M.

To the Inhabitants of the Town of Chichester, N.H. in the County of Merrimack in said state, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Chichester, on Tuesday, the tenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to amend certain sections of the Town Zoning Ordinances and Building Regulations to read as follows. (Recommended by the Chichester Planning Board)

Article 3 through Article 20 will be taken up at the second session of the Annual Town Meeting on Saturday, March 14, 1987 beginning at 10:00 AM at the GRANGE HALL.

3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same and reduce by any funds received from other than tax dollars.
4. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow a sum or sums of money not to exceed in the aggregate more than 75% of the anticipated amount to be collected in taxes for the current municipal year and to issue in the name of and on the credit of the Town of Chichester negotiable notes therefore, said notes to be paid in 1987, from taxes collected during the current year.
5. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend money from the State, Federal or another Government Unit or private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95b.
6. To see if the Town will vote to allow a 2% discount on all property taxes paid within thirty (30) days after presentation of the tax bill.
7. To see if the Town will vote to authorize the Selectmen to dispose of land acquired by tax deed from the Tax Collector.
8. To see if the Town will vote to raise and appropriate the sum not to exceed one hundred thousand dollars (\$100,000.00) as the Town's share for the purchase of a new INCINERATOR at the Pittsfield Facility. Loan to be paid over a five year period \$20,000.00 plus interest, payments to be as follows: 1st year \$27,000.00, 2nd year \$25,600.00, 3rd year \$24,200.00, 4th year \$22,800.00, 5th year \$21,400.00.
9. To see if the Town will vote to adopt THE WELFARE GUIDELINES as prepared by the New Hampshire Municipal Association.

10. To see if the Town will vote to raise and appropriate the sum not to exceed seventeen thousand dollars (\$17,000.00) and authorize the withdrawal of this sum from the Federal Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972, for use as set off against budgeted appropriations for the following priority purposes and in the amounts indicated:
- | | |
|-------------------------------|--------------|
| 1. Kelleys Corner Road Bridge | \$ 4,000.00 |
| 2. Grange Hall Improvements | \$ 8,000.00 |
| 3. Capital Improvement Plan | \$ 5,000.00 |
| Total Authorized | \$ 17,000.00 |
11. To see if the Town will vote to raise and appropriate the sum not to exceed eight hundred dollars (\$800.00) to use this eight hundred (\$800.00) for insurance to increase the tax collectors salary. REQUESTED BY THE TAX COLLECTOR
12. To see if the Town will vote to raise and appropriate the sum not to exceed seventy five thousand dollars (\$75,000.00) for the purchase of a new rescue vehicle. Money to be raised in the following manner: \$8,500.00 to be accepted from the Rescue Squad as a donation, \$5,000.00 to be transferred from the Rescue Vehicle Capital Reserve Fund, \$12,300.00 to be raised from current year taxes, and to authorize the Selectmen to issue serial notes for the remaining \$49,200.00 payable in equal installments in the years 1988, 1989, 1990 and 1991. REQUESTED BY THE CHICHESTER FIRE DEPARTMENT - EMERGENCY MEDICAL SQUAD.
13. To see if the Town will vote to raise and appropriate the sum not to exceed nine hundred forty two dollars (\$942.00) so that the Road Agent will be covered by insurance. This is for a single membership to Blue Cross/Blue Shield.
14. To see if the Town will vote to raise and appropriate the sum not to exceed two thousand eight hundred twenty six dollars (\$2,826.00) so that the Selectmen will be covered by insurance. This is for a single membership to Blue Cross/Blue Shield. Should the member of the Board be already covered by this insurance, the unexpended funds will revert back to the general fund.
15. To see if the Town will vote to raise and appropriate the sum not to exceed thirty five thousand dollars (\$35,000.00) for replacement of the Kelley Corner Road Bridge. \$4,000.00 to be taken from Revenue Sharing, \$6,000.00 from current year taxes and the remainder \$25,000.00 to be borrowed and paid back over a five (5) year period.
16. To see if the Town will vote to authorize the Selectmen to establish a CAPITAL IMPROVEMENT PLAN. (Sum not to exceed \$5,000.00. Funds to come from Revenue Sharing Account.)
17. To see if the Town will vote to raise and appropriate the sum not to exceed one thousand one hundred thirty five dollars (\$1,135.00) as the Town share of membership dues in the Central New Hampshire Regional Planning Commission.

18. To see if the Town will vote to raise and appropriate the sum of eight thousand dollars (\$8,000.00) for improvements to the Grange Hall; ie Septic System, Toilet Facilities, etc. and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.
19. To see if the Town will vote to instruct the Town's representatives to the Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook nuclear plant shall be stored or disposed of within this Town of Chichester unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the Town at the annual Town Meeting by written ballot. BY PETITION FROM TOWN RESIDENTS.
20. To transact any other business that may legally come before said meeting.

REPORT OF THE CHICHESTER VOLUNTEER FIRE DEPARTMENT

To the Citizens of Chichester:

This past year has been another active year for the Volunteer Fire Department. We have responded to 175 Calls with our average response time of three minutes.

Again this year we spent many hours taining and a lot of hours keeping the equipment in safe operating condition.

We are pleased to announce that we have another piece of equipment. We were fortunate enough to be able to purchase a 6x6 Truck, at the price of \$1,750.00. It is a 1952 G.M.C., with a thirteen hundred gallon tank and a 750gallon capacity front mount pump. Don't let the year fool you, it is in excellent condition and you're welcome to come and take a look for yourself. Monday night is when we have training so don't hesitate to come over and see it. In the detailed statement of expenses it is under 3-D Fire Equipment. We have trained on this truck and think it will give us many usefull years of service.

I would like to take this opportunity to extend my personal thanks to those men on the department who donated so much of their time and effort to make Chichester a safer place in which to live. A very sincere 'thank you' to the families of these men. It's not always easy to share your husband or your dad with the fire department, it is a demanding responsibility. to be a firefighter.

As always we more than welcome anyone who may be interested in joining our Department. May you all enjoy a safe and fire free year.

Sincerely

Chief David Lucier
Chichester Volunteer Fire Department

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

CENTER BARNSTEAD FIRE DEPARTMENT

December 23, 1986

Board of Selectmen
Town of Chichester
Town Hall
Chichester, NH

Gentlemen;

The Center Barnstead Fire Department requests of the Town of Chichester to raise and appropriate the sum of \$7403.00 dollars, which represents your towns share of the 1987-88 Ambulance Payroll Budget of \$65,627.00 dollars for two paid ambulance attendants during the day and additional night coverage.

The paid ambulance service is dependent upon each of the six towns that we cover, to appropriate their share of the budget in order for this service to remain in operation.

This budget does not provide for 24 hour ambulance service, as many may think. The remaining time, in the evening and on the weekends, is covered by our well trained volunteer personnel. The funds that are appropriated in this budget are not used for any supplies or to purchase any equipment, for which we rely heavily on fund raisers and donations to keep the service running.

Enclosed with this letter are copies of the 1986 payroll expenditures and financial statement, plus other information. All the material provided should be published in your annual Town Report. If you should need any further assistance, please call 776-6157.

Cordially;

TERRENCE STRAIGHT, Chief
Center Barnstead Fire Department

REPORT OF THE CHICHESTER LIBRARY

"A library is not a luxury but one of the necessities of life."

H. W. Beecher

Many changes have been made at the Chichester Town Library during the past year. One easily visible addition is our mailbox, the donation of Faye and Bob McAnney. The oversized box now receives the mail that previously was sent to the Town Hall and the homes of the Librarian and each of the Library Trustees.

The library regularly receives notices of interest to the general public--SCDA and NH Humanities Council bulletins, Currier Gallery of Art schedules and many others. A bulletin board, purchased with library funds, was placed in the entry of the Town Hall to provide easy and wide-spread access to this information.

Thursday night library hours were changed to 6-8 PM to coincide with the times that the Town offices were open. The Saturday hours were increased by one hour and changed to 11 AM to 3 PM.

Due to pressures of school, family, and work, Wendy Kneeland was unable to continue as assistant librarian but was responsible for organizing the Summer Reading Program. Candy Brehm with an assist from Hannah West ran the spring Pre-school Story Hour but was unable to continue in the fall. Hannah West ran the fall Hour for pre-schoolers and their parents--an opportunity for pre-school youngsters to hear a story and make a simple craft, and time for the parent and child to borrow books from the library. Joyce Lemay and Purita Arnold have begun serving as Library Aides on Thursday nights.

Mrs. Kneeland, expressing a desire to have a summer program for her children such as she had enjoyed as a child in Chichester, attended a workshop designed to provide just this kind of information for library personnel. Filled with ideas and enthusiasm Mrs. Kneeland organized the program, campaigned for donations from area businesses, provided the physical materials, and planned the program's ending party. Midsummer - a traditionally slow period - changed to the most active two months ever experienced by the library as 21 children and their parents actively participated in the extremely successful result of Mrs. Kneeland's work. Circulation over the two month period was triple that of the same time period in 1985. July and August of 1985 saw 151 juvenile books borrowed; July and August of 1986 saw 644 juvenile books borrowed by Chichester youngsters. Congratulations to Zachary Cleasby, whose choice of "the spot" won him a gift certificate, and both congratulations and appreciation to Mrs. Wendy Kneeland for her time, effort, and enthusiasm.

Changes in overall circulation were noted in 1986:

	adult books borrowed	juvenile books borrowed	total books borrowed
1986	1031	3159	4190
1985	667	2003	2670
1984	500	1642	2142

An increase in requests for non-fiction material obtained through the State Library by interlibrary loan was also noted.

Acquisition of books for the library also increased during 1986. The number of books purchased in 1986 was 469, over double the figure of 201 purchased in 1985. Librarian Joanne Serviss spent almost every Saturday morning during the summer scouring area yard sales and library book sales for inexpensive second-hand books in good condition. Many were found. The trustees and the librarian met every two months during the year to discuss and determine acquisition needs. As in the past many good books were donated by town residents. Fellow area librarians attending courses with Mrs. Serviss donated a number of library reference books, greatly updating that section of the library. Information is now being gathered as to the merits of a form of book rental system. If financially practical this method of acquisition used by other area libraries would greatly increase the library's ability to provide current best-seller books.

Two book sales were held this year. Books stored in the Wests' barn, books discarded from the library shelves, and books that had been donated were sold. The sale by John and Hannah West in their front yard netted over \$100. Faye McAnney and Joanne Serviss sold \$68 worth of books on Old Home Day as many "dropped under" the McAnney's tarp to browse and stay dry. Thanks go to Wendy Kneeland for her help in pricing books. The money from the sales has been deposited in

a savings account until enough money has been raised to purchase an encyclopedia.

The task begun by June Hatch of cataloguing the adult non-fiction section has been continued by the librarian. Subject cards are being added as needed to increase the ease in researching any given topic. Over 600 books were catalogued this year as the librarian attempted to catalog all new acquisitions within two weeks of purchase as well as continuing the cataloging of books already shelved.

The librarian and trustees have initiated the first phase towards membership in the Statewide Library Development System by applying for certification as an Associate Library. To quote the N.H. Public Library Standards 1985, . . . "libraries that are members of the SLDS shall receive certain benefits such as 1. Library Service and Construction Act grants, 2. Consultant services 3. Van delivery service, . . . " A check list for Associate Libraries has been completed and submitted to the N.H. State Library. Areas that are known to require improvement include increased hours (more volunteer library aides needed), policy manual review (on going by librarian and trustees), more current reference material (on going), and accessibility. As a requirement for a Library Techniques Program course, the librarian wrote a plan for the Chichester Town Library for the coming 20 years. A copy of the plan (available at the library) was presented to the Master Plan Committee as it indicated the physical space/growth/accessibility needs of the library. These are not really future goals. They are very present needs. Increased space on a ground floor level will be a necessity if the Chichester Town Library is to become an Associate Library, and, more importantly, if it is to provide adequate services to a growing population.

See you at the library--

CONCORD REGIONAL VISITING NURSE ASSOCIATION

The Concord Regional Visiting Nurse Association, Inc. continued to service Chichester for this past year. In the Home Care Program, service is provided under a physician's plan of treatment to patients who are essentially homebound with diagnosed illness. This service is rendered by health professionals (Registered Nurses, Physical Therapist, Occupational Therapist, Speech Pathologist, Nutritionist) and para-professionals, (Homemaker/Home Health Aides, Home Assistants) according to the patient's and family's needs. Hospice care is provided to patients in the last six months of a terminal illness. The Health Promotion Program has services (child health, family planning, screening) that are provided to low income/high risk patients and families in group settings, such as clinic and screening sites.

Health Education and Instruction is part of each home visit or clinic visit.

Anyone in Chichester may request service; patient, doctor, health facility, pastor, friend or neighbor. Patients are also referred by other agencies. All requests are answered, but continuing home care can be provided only with a physician's orders.

A call to the Concord Regional Visiting Nurse Association, Inc., (224-4093) between the hours of 8 a.m. and 7 p.m., seven days a week is all that is necessary to start services or make inquiries. Hospice staff are on call (224-4093) 7p.m. to 8 a.m.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for those unable to pay the charge if that person has no other funding source available. However, for fee scaling, federal regulations require a financial statement be completed and a fee appropriate for which the patient will be responsible. Town monies subsidize those visits that are scaled or that no fee is collectible.

This Agency is accredited by National League for Nursing and American Public Health Association Certified for Medicare and is a member agency of Home Care Association of New Hampshire, United Way of Merrimack County, and National Association for Home Care.

Visits made during the year beginning October 1, 1985 to September 30, 1986 were:

	No. of Clients	Visits
Home Care	5	31
Health Promotion	12	66

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF CHICHESTER, OUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Town Hall in said District, on the 7th day of March, 1987 at 2 o'clock in the afternoon to act upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.

2. To see if the District will vote to authorize the School Board to accept gifts and donations on behalf of the School District.

3. To see if the District will vote to authorize the School Board to accept and expend on behalf of the District a sum of money not to exceed \$13,684.00 to be obtained from the Federal Government or other sources that may make such funds available to the District; provided that the School District will not be thereby required to raise any money by local taxation in this or subsequent years as the result of such expenditure of \$13,684.00.

4. To see if the District will vote to authorize the School Board to apply for, accept, and expend, without further action by the School District Meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the 1987-1988 school fiscal year, provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

5. To see if the District will vote to accept a gift not to exceed \$200,000.00 for the construction of the shell of a multi-purpose room from the Chichester Building Resource Committee; and appropriate that sum for construction of the shell of a multi-purpose room addition to the Chichester Central School.

6. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

7. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District officials and agents and for the payment of statutory obligations of the District and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid together with other income; the School Board to certify to the Selectmen, the balance between the estimated revenue and appropriation. Which balance is to be raised by taxes by the town.

8. To choose Agents and Committees in relation to any subject embraced in this Warrant.

9. To transact any other business that may legally come before said meeting.

Given under our hands at said Chichester this 16th day of February, 1987.

CHICHESTER SCHOOL BOARD REPORT

This year we have two first grade classes at Chichester Central School, due to the larger than normal enrollment in that grade. To make room for the extra class, we had to move our special education teacher to a small, windowless room next to the library, and then move our speech therapist and guidance counselor into the Principal's office. We anticipate another large first grade enrollment for the 1987-88 academic year and, of course, a large second grade.

We all are observing growth in Chichester with many new homes and several businesses under construction or recently completed. This growth will soon create a greater strain on our school facility. To address that issue, we will be establishing a Space Needs Study Committee to recommend a plan to meet our future building needs. This committee will be staffed with volunteers from the community. Once their study is completed, a Building Committee, if appropriate, will be appointed.

Many of you probably have read news accounts of proposed new State of New Hampshire standards for education. If these new standards are approved by the State Department of Education, we will be required to comply with them within an established time frame. This would mean that new programs and new staff may be required in our school. We will attempt to keep you informed on this issue.

The growth in our District reflects the growth in all five Districts comprising SAU #53. Some towns are into the process of Space Needs Committee, Building Committee, and actual construction. This has placed a great burden on the staff of SAU #53 and, as a result, the SAU Board, meeting last December, approved the hire of an Assistant Superintendent for Business for our SAU. Additionally, our Superintendent, George Blaisdell, resigned in early January to take a similar position in Massachusetts. George was an excellent administrator during his tenure as our Superintendent and was able to attract an equally competent person, Paul DeMinico, to serve as his Assistant Superintendent. We are pleased to report that SAU #53 was fortunate to hire Paul as George's replacement. Paul has worked closely with this School Board for the last three years and we all hold him in high esteem. We know he will be of invaluable help to Chichester in this period of transition with the pending changes in educational standards and also our contemplated town growth issues.

H. DEXTER HEDSTROM, Chairman
A. ALLAN CLARK
FREDA JONES
Chichester School Board

REPORT OF THE SUPERINTENDENT OF SCHOOLS

The past year has been a most eventful one. Growth in the community and its effect on the Chichester Central School is one very important issue which the School Board is presently addressing. As a result of increases in student enrollment at the primary level, an additional first grade was added for the 1986-87 school year. Increases in enrollment, particularly at the primary level, are expected to continue.

The School Board, later this spring, will ask interested community members to serve on a space needs study committee to review the present facility relative to enrollment projections, community growth plans, current facility use, current educational programs, energy and repair issues. The committee, advisory to the School Board, will be given assistance by the Superintendent and his staff and by members of the Department of Education. The Board will review the committee's findings and will decide the direction to pursue by mid Autumn.

Standardized test scores show our students scoring generally above National averages. Increases (or decreases) in test scores at any given grade level is a natural phenomena. Please keep in mind that standardized test scores are just one component in evaluating school effectiveness. Various factors enter into fluctuating test scores which may include; matching what is taught with what is tested, the numbers of students taking the test, the ability of the students taking the test, the conditions in which the test was administered, and the amount of time spent preparing students on how to take standardized tests. The list is certainly not all-inclusive. I bring this information to your attention so that judgements are not made on the success or lack of success of your schools based exclusively on test scores in a given year.

Upward trends in test scores (over time) along with declining dropout rates, increased enrollment in honor classes, improved reading scores, increased post secondary school admissions, increased student leisure time in academic pursuits (i.e. reading, computer), and increased interest in school activities show a more accurate picture which reflects a positive evaluation. If these trends are reversed, the picture would be negative. If trends are mixed, so is the picture. The point is that goals in education are complex and the measure of the success or failure of such goals is complex as well. When we look at the Chichester picture, in its entirety, we have much to be proud of.

As you may already know, the demand for teachers is rising fast, and the supply shows no sign of following that demand. Teachers and parents are the most important resource in the educational lives of our children. For our schools to do the kind of job that is expected by you we need to take measures to retain quality teachers and based on growth, hire quality teachers. In support of this goal, I am pleased to announce that the Chichester School Board and the Teachers have agreed to a new contract for the 1987-88 school year. I urge you to support our efforts in providing a quality education for the children of Chichester by voting in favor of the new contract. For your information the following figures are presented:

1986-1987 Teacher's Average Salary	
Nation:	25,347
New Hampshire:	20,260
Chichester:	19,150

Citizen participation in the form of volunteerism at the Chichester Central School is on the increase and is one very important reason for the success of our schools. The Board wishes to express its appreciation to all of you who

have supported the school in the form of volunteerism. For those who would like to volunteer, please feel free to contact the school.

The Chichester Building Resource Committee has reached about one-half of its goal or about \$125,000. The committee has every intention of completing its raising of funds and has requested that the construction of the shell for the multi-purpose room begin later this year. A separate article to the warrant will address this request and will seek the approval of the taxpayers. It is indeed a credit to the Chichester community that this project has received such fine support and success.

The last item I would like to bring to your attention is the changes that have taken place at the SAU Office. George Blaisdell announced his resignation last fall to accept the superintendency at North Andover, Massachusetts. George provided excellent educational leadership for each of the five school districts of SAU #53 throughout the past five years. He will be missed. At its December, 1986 business meeting, the five school boards of SAU #53 elected me as your new superintendent. I am very proud, indeed honored, to accept the new challenge and, with your support, will carry out my new responsibilities with the dedication and professionalism you have seen in the past. Thomas Haley was appointed to serve as interim assistant superintendent throughout the remainder of the school year, June 30, 1987. We are fortunate to have a person of Tom's knowledge and background of SAU #53 to assume the responsibilities at mid-year. We are a team! Roberta Doore, Pembroke Academy business department chairperson, is serving as interim Pembroke Academy principal for Tom Haley. Bobbi and Tom will resume their duties at Pembroke Academy on July 1, 1987. With these two competent and dedicated professionals, we expect a smooth transition period this spring.

In other business at the SAU #53 December 1 meeting, the school boards voted to approve increases in the number of professional staff positions at the SAU office. In a management study conducted last fall by the Center for Educational Field Services (CEFS) of the University of New Hampshire, results clearly show the need to increase staff in order to keep up with the increases in work load (workload increases result from population growth in the form of building projects, from the effective management of school budgets, the development of curriculum and other regular and special education program development activities). An excerpt taken from the CEFS report supports the point;

"In 1982, SAU #53 was administering more money with less staff compared with 2 other SAUs in [a] survey. Over the past 5 years, the fact that 2 SAUs have divided into 4 indicates that SAU #53 continues to provide an array of administration services in an extremely cost effective manner."

Our intent is to continue to provide cost effective administrative services to you and your children through your schools. With your support of these office changes, we will achieve this worthy goal.

I look forward to working with you in the future.

Respectfully Submitted,
Paul DeMinico
Superintendent of Schools

Principal's Report

The Chichester Central School opened in September 1986 with an enrollment of 200 students.

To provide for a first grade of 38 students, a second first Grade teacher was hired, Mrs. Sharon Huntington. The Readiness Program was continued with Mrs. Johanna Sanborn teaching this group of students and part of the regular first graders. This team of teachers is doing an excellent job of meeting the needs of our beginning pupils.

In order to meet the special needs of some of the students, the District employs the services of three part time and full time aides. Concord School District reimburses Chichester for the cost of one full time aide. We also have two teachers tutoring in Math and Reading. This program is funded under Chapter I.

In order to provide extra programs for the gifted and special interest students, we have continued our after school enrichment program. Sewing was something that was added this year. We are always looking for programs to add to this service and welcome suggestions and help from the community.

Our students are beginning to benefit from the use of the school computers. It is rewarding to view the enthusiasm of the students as they learn from the various computer programs in spelling, social studies, math, etc. along with seeing the programs that have been developed in Logo by the students themselves. I am sure that many parents are aware of what is happening at Chichester Central because of students, regularly, asking permission to stay after school for computer study and requests for home computers.

I would like to thank the community members for their support of School projects, ,afterschool enrichment activities, fund drives for the addition, food sales, sport events, PTO Christmas sale, book fairs, spaghetti suppers, etc. These and many other projects have been successful because of your willingness and backing.

Respectfully,

Richard T. Fowler
Principal
